**THE PARABLES OF JESUS**

and Their Application to Us

The word *parable*, which means “to cast alongside,” is found about 50 times in the gospel records. Parables compare spiritual truth to things in natural life – a means of connecting God’s Word to our world.

Christ regularly employed the use of parables. The Lord Jesus was the Master Teacher and the Master Storyteller. “*And with many such parables spake he the word unto them, as they were able to hear it. But without a parable spake he not unto them: and when they were alone, he expounded all things to his disciples*” (Mark 4:33-34).

Use this list of parabolic teaching as an aid to your study. Compare the parallel accounts. May the Lord give you understanding of the parables Jesus told and their application to your life!
